

**The Palestine Red Crescent Society Demands Accountability for the Killing of
Four of its Paramedics in Gaza**

11.10.2023. The Palestine Red Crescent Society (PRCS) condemns the intentional targeting of PRCS medical teams by Israeli occupation forces in the Gaza strip, resulting in the tragic killing of four PRCS paramedics in less than half an hour today, despite prior coordination.

PRCS demands accountability for this war crime, urging immediate investigation and justice for the victims. Targeting medical personnel is a grave breach to international humanitarian law and to humanity.
