Palestine Red Crescent Society: Response Report**As of Saturday, October 7th 2023, 6:00 PM****Until Sunday, November 26th 2023, 00:00 AM**

Palestine Red Crescent Society teams are still responding to the developments on the ground in both Gaza Strip and the West Bank, where the operations are carried out 24/7, for the 51st day in a row.

The following information in this report is the maximum which our crews were able to collect from direct follow-ups and different sources due to the complete loss of telecommunications and the great difficulty in reaching the sources of information.

Latest Updates:**Gaza Strip:**

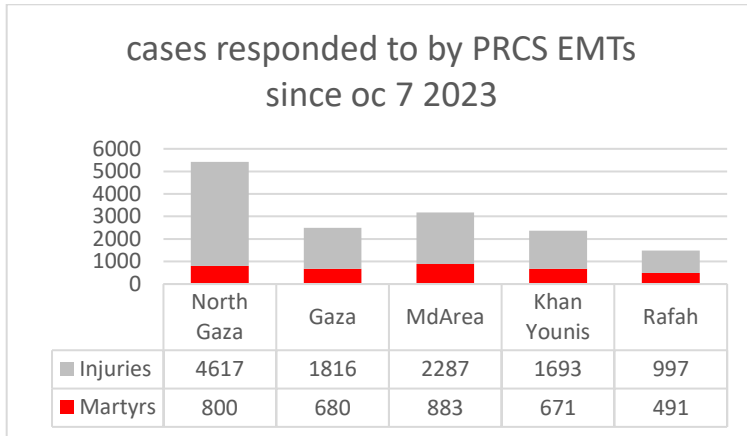

- The temporary humanitarian truce enters its third day today during which quantities of fuel and gas for cooking enter the Gaza Strip. There is also an increase in the amount of daily trucks entering Gaza carrying humanitarian aid, part of which have entered Northern Gaza.
- Despite the humanitarian truce, the Israeli Occupation forces have targeted 2 farmers east of Maghazi Refugee Camp located east of Gaza's Middle Region; this has led to the martyrdom of one of the farmers while the other sustains wounds.
- As of today and yesterday, the PRCS crews have succeeded in bringing relief aid into Gaza's governorates and northern Gaza. 53 trucks entered yesterday, carrying (medicine, medical supplies, foodstuffs, milk, mattresses, and blankets), and 50 more trucks are expected to enter today.
- For the first time, 50 Egyptian aid trucks enter through Rafah Land Crossing and head towards Gaza and northern Gaza through the border which separates the northern side from the southern side of the Strip. In addition, PRCS crews have entered 48 other trucks to the areas in the northern side of the Gaza Strip; therefore, the total amount of aid trucks that have entered Gaza are 167.
- Competent authorities continue to recover martyrs' bodies from the streets and under the rubble, however, no official reports have been released regarding this matter.
- PRCS colleague Awni Khattab Head of Khan Younis Ambulance Center remains detained by the Israeli Occupation forces for the 5th day in a row. He was arrested during the wounded convoy from Al-Shifa Hospital, traveling through the checkpoint which separates north and south Gaza.
- The fuel crisis in PRCS' Al-Amal Hospital in Khan Younis persists as consumption is reduced to the minimum level, affecting the services provided to the wounded and the sick, including first aid and emergency medical services.
- There is a high increased in the amount of missing persons due to the difficulty in recovering the victims from under the rubble. In addition, tens of bodies are piling in the streets of Gaza as medical crews remain unable to remove them due to the dangerous circumstances on the ground.
- The Ministry of Health confirms that the occupation forces deliberately target medical personnel and crews, which led to the loss of (207) medical personal lives, (26) from the rescue team members and the wreckage of (56) ambulances that are now un-operable.
- The Ministry of Health confirms that (26) hospitals and (55) health centers are out of service as a result of Israeli targeting and the depletion of fuel and medical resources.
- Based on official data, (65) journalists have been directly targeted and martyred since the beginning of the aggression on Gaza
- The number of governmental headquarters which the Israeli Occupation has destroyed has reached (103), in addition to (266) schools, (67) of which have gone out of service.
- The number of completely destroyed mosques has reached (88), partially destroyed mosques (174), in addition to (3) targeted churches.
- Official authorities have received approximately (7000) reports of missing persons in the rubble and corpses laying in the streets including well over (4700) children and women, according to the last update by the Palestinian Ministry of Health. In addition, tens of bodies that are piling in the streets of Gaza as medical crews remain unable to remove them due to the dangerous circumstances on the ground.

West Bank: For the second day in a row of the humanitarian truce, the PRCS ambulance crews continue to participate in the transportation of prisoners—suffering from difficult health conditions and wounds due to the Israeli Occupation forces—that were released on Friday, November 24th and Saturday November 25th of 2023.
