#: 90/2023

date: Oct 23rd 2023**PRCS Report Update****From Saturday, October 7, 2023, at 06:00 AM****Until Monday, October 23rd, 2023, at 15:00**

According to PRCS president to declare emergency status and raise the degree of alert and readiness, PRCS is working round the clock with its full humanitarian and physical power for the **17th day** in a row and is still responding to accelerations on the ground.

Latest Update:**Gaza Strip:**

- The Israeli occupation forces continue targeting towers, facilities, residential buildings, mosques, churches, main streets and civilian populations in various areas of the southern governorates, resulting in a large number of fatalities, including children and women, and the displacement of civilians seeking safety.
- The Israeli occupation forces escalated bombardment over the last night into all areas of the Gaza Strip, mainly targeting civilian homes and hospital surroundings. This caused a significant number of fatalities, mostly women and children.
- Al-Quds hospital is still providing the required medical treatment to the patients, injured and the IDP's as per its humanitarian and national obligation though it is still under the threat of evacuation from the occupation forces, and the neighboring areas are under constant targeting and bombing.
- PRCS emergency medical services centers are still operating at high capacity in response to the current situation, as the number of ambulances operating in the field has reached (30) ambulances and (114 paramedics, drivers, first responders, volunteers and managerial staff).
- The officials received 1500 notification of missing people under the rubble, from which 830 are children

October, 22nd 2023 at 22:00 PM while PRCS's paramedics were responding after the targeting of one of the residential buildings in the northern part of Gaza, and during the response in the field the same area was targeted for a second time which resulted to a sustained damage of the vehicle.

West Bank: Since Saturday, October 7, 2023, the Palestine Red Crescent Society- PRCS teams have faced many challenges and violations in the West Bank, as **(62)** violations were reported.

Occupied Jerusalem: **(3)** violations were recorded.

Displacement of citizens in Gaza Strip:

- Since the beginning of the escalation, the Palestine Red Crescent Society in Gaza City, Al-Quds Hospital and Al-Amal Hospital in Khan Yunis Governorate have witnessed the displacement of thousands of citizens, seeking safety, due to the continued threats of the Israeli occupation forces to the civilian population by targeting their homes, as the two PRCS/HQ are witnessing a very severe overcrowding situation in excess of their capacity, so that hundreds of displaced people sleeping in front of the entrance to the PRCS, administrative offices and patient rooms. In

In addition, the number of displaced people in the PRCS in Gaza and KhanYunis its estimated around more than **12,000** citizens distributed at (PRCS/HQ in Gaza: **9,000** citizens and in Khan Yunis: **3,000** citizens), this increase in the number of displaced people due to the increasing of the Israeli occupation forces threats. The latest of the displacement more than **2,000** citizens due to the continuous bombardment and destruction of citizens' homes in Tel Al-Hawa neighborhoods in the vicinity of the hospital. **As noticed the number of displaced people increased at night from the daytime around 1,000 IDPs.**

- A considerable number of citizens have been displaced from border areas to urban centers and in shelters or with host families, as the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) announced that its shelters received more than 400,000 displaced people, as official sources announced an increase in the number of displaced people by more than **one million and 400** displaced people in different areas.
- As occupation targeting of schools has extended, the occupation forced **19** schools out of service due to significant damage, while **160** schools suffered varying degrees of damage, exacerbating the suffering of displaced individuals and their overcrowding in shelter centers.

PRCS Disaster Risk Management Department Interventions:

Gaza strip: As a result of Israeli aggression on Gaza strip and threats to target civilians, it was impossible to provide emergency relief services in the field in Gaza and Northern Gaza governorates. Relief services were limited to providing services to the displaced PRCS headquarters (**Al Amal City, and Al Noor & shelters**), its hospitals, and shelter centers, where the Disaster Risk Management Department distributed non-food relief items, with following details:

Baby drinking bottles	Baby food	milk	Children biscuits	Dignity kits	pillow	carpet	Food parcel	Cooking	Diapers	Water bottles	Water gallon	Kitchen sets	Hygiene kits	Blanket	Mattress	Individual	Beneficiary families	Governorate
				40		35					51	40	7	198	198	293	52	Gaza
											38	25		126	67	185	32	Central
										64	1	45	44	140	90	245	45	Khan Yunis
